

DALE AND LYNN HODELL:

The Hodells were nominated by Denise Schneider. Mrs. Schneider said the Hodells have been their neighbors for 15 years. They met when their dogs became buddies and the Schneiders used to dog sit when the Hodells were out of town. She said they became quite close and the Schneiders know they can call on the Hodells **when they need anything**. The Schneiders go to all of the Hodells' family functions and Mrs. Schneider said they feel like they have become an adopted part of the family. "If I ever need them for anything, I just call them and they are right there," Mrs. Schneider said.
