

DAN AND MARY ANN WISNIEWSKI :

The Wisniewskis were nominated by Genevieve Schultz. Mrs. Schultz said the Wisniewskis constantly help her. She is in her 80s and has health problems so she needs assistance with things around her house. She said Mr. Wisniewski has repaired her hot water heater two years in a row, shovels and cuts and edges her lawn. "He is a perfectionist. He trims all around the fence and there's no blade of grass out of shape," Mrs. Schultz said. Mrs. Wisniewski cooks for her, bringing Mrs. Schultz strudels and other "goodies" that she said she loves. "She is a wonderful cook and a great person," Mrs. Schultz said. The couple also grocery shops for her and assisted her when her furnace went out. "They are wonderful, wonderful people," she said. "Not many people will do this for someone."
