

**DAVID AND KAREN CONKLIN AND BARBARA SUNDBERG:**

The Conklins and Mrs. Sundberg were nominated by Gertrude Wrosch. Mrs. Wrosch said all three of her neighbors have been helpful to her. Mr. Conklin takes care of her snow and helps with other projects. Since she nominated them, Mrs. Wrosch suffered a broken pelvis as a result of a fall. She said Mrs. Sundberg and the Conklins have picked up the slack. She added that they are a blessing and she is lucky. "If all neighbors were like them," she said, "we older seniors could continue to live in our homes longer."
