

DON AND PEARL RUTKOWSKI

Don and Pearl were nominated by their neighbors Robert and Kelly Gray. Before the Gray's had even finished unloading their moving truck, Pearl had walked over to welcome them to the neighborhood. Since then, Don and Pearl have proven to be wonderful neighbors.

Don is a quintessential handyman, and he and Pearl watch over the Gray's house and pick up their mail while they are on vacation.

"They freely provide neighborly involvement to everyone on not only our street, but also bordering streets, building an extended neighborhood of caring," said Mr. Gray. "I'm sure all nominees for the 'Nice Neighbor' award are deserving, but none are more deserving than Don and Pearl Rutkowski."
