

DOTTIE AND SCOTT BRYSON:

The Brysons were nominated by Tony and Christine Colorito. The Coloritos said that the Brysons assist them whenever they need help. When Mrs. Colorito was in the hospital recently, Mrs. Bryson made meals for Mr. Colorito and continued to cook for them during Mrs. Colorito's rehabilitation. The Brysons plant and tend to the flowers at the entrance to their condo complex and Mr. Bryson often replaces burned out light bulbs for condo residents. The Brysons also take the Coloritos grocery shopping.
