

ED AND HELEN MALEK

Ed and Helen were nominated by their neighbor, Gayle Butzu.

Over the years, Ed has snow plowed sidewalks and driveways and helped with everyone's yard work and car repairs. In addition, Ed and Helen recently organized a block party and when Gayle's sump pump disconnected, Ed came over to help with the cleanup and repairs.

"Ed and Helen are extremely helpful to those who need help," said Gayle. "They are good, kind neighbors."
