

FRANK SINGER:

Mr. Singer was nominated by Molly Schultz. Mrs. Schultz said Mr. Singer is a good neighbor because he is always willing to help without being asked. During the many snowy days of winter, Mr. Singer plows the Schultzs' drive and walk ways before they even wake up. Last summer when Mrs. Schultz was trimming her trees, he brought over his saw to get all the branches for her. He is also a volunteer for the Lion's Club and makes sure that Mrs. Schultz's husband has the latest digital hearing aids through his volunteer work. Even years ago, when the Schultzs' daughters were learning to drive, they dented the car's fender. Before Mr. Schultz could even go take a look at it, Mr. Singer had already fixed it. "He declines any offer of payment because 'Helping each other is what neighbors do'," said Mrs. Schultz.
