

GERRY AND PATTY GORNEY:

The Gorneys were nominated by Jim Moses. Mr. Moses said that the Gorneys have gone to great extents to make the street they live on a friendly place to live. They have held a summer "getting to know your neighbors" party, keep their property nice and never utter an unfriendly word about anyone. In addition, Mr. Moses said they have cared for him after he endured many surgeries. The Gorneys have taken Mr. Moses to and from the hospital, bathed him, fed him, laundered his clothing, and cared for him in many other ways without asking for anything in return.

"Gerry Gorney and his wife, Patty, are in my estimation what a good citizen is all about," Mr. Moses wrote.
