

**GREG GROTH:**

Greg was nominated by his neighbor Walter Schirmacher. Walter said that Greg helps everyone in the neighborhood with all kinds of jobs. Walter added that one time he was out of town during a bad snowstorm, and when he returned home on Sunday, he was grateful to see that Greg had cleared his driveway and street of all the snow. Greg is always fixing things, even for the neighbors that are new to the area, and never expects anything in return.

"Greg has helped me so many times, I cannot find words to express my appreciation," said Walter.
