

HELEN AZELIO:

Helen was nominated by Shirley Thomas. Mrs. Thomas is the president of Seville Terrace Condominium Association where her and Helen reside. For the past few years, Helen has been working tirelessly and generously to improve the appearance of the complex by planting gorgeous flowers and decorating for various holidays. After September 11, Helen decorated all of the trees with yellow ribbons. Helen also refurbished the community fountain in the entranceway to the complex. Mrs. Thomas said that, "Helen's artistic flare and pride in her community certainly qualifies her for a Nice Neighbor Award."
