

### **HORST AND ELIZABETH LUDWIG:**

The Ludwigs were nominated by Jim and Ann Des Roches. The Des Roches said that the Ludwigs have been doing good deeds for the neighborhood for years. They look in on an elderly woman who lives by herself. They also clear snow for the Des Roches and other neighbors on the block. The Ludwigs are always helping the neighbors around them, which the Des Roches appreciate because they are in their 80s. "We sure appreciate their kindness and thoughtfulness," wrote the Des Roches. "They deserve to be recognized for their kind deeds."
