

JEFF MOON:

Mr. Moon was nominated by Kenn and Nada McIntyre. The McIntyres said that Mr. Moon's help goes back to the power outage of August 2003. At that time he went door to door with his commercial-sized generator to power up refrigerators so the neighbors wouldn't lose their food. Even new neighbors who no one had met yet benefited from his generosity.

"Jeff's unselfishness to provide power for others was greatly appreciated and perhaps never recognized to the extent it deserved," wrote the McIntyres. "The neighbors all feel a great deal of gratitude for his efforts."
