

KEVIN FRABOTTA

Mr. Frabotta was nominated by his neighbor, Melissa Snyder. Ms. Snyder would like to thank Kevin for being a nice, thoughtful and appreciated neighbor.

For the past several years, Kevin has voluntarily plowed the snow for all of his surrounding neighbors, regardless of his heavy work schedule and responsibilities with his own family. In addition, Kevin hosts several get-togethers throughout the summer and fall to keep all of the neighbors close.

"Kevin is an exceptional neighbor and I want him to know that what he does makes a big difference," said Melissa.
